Request for Installation Assistance

- I prefer to install the culvert myself and will notify the Road and Bridge Department within 24 hours (by phone or in person during business hours or by email) of installation for review / approval.
- I request the Road and Bridge Department install the culvert at the property. I am aware that the Road and Bridge Department will not provide any fill or gravel to cover the culvert, so I will have those supplies on site prior to installation.
 - I will have the culvert on site.
 - I plan to purchase a culvert from a Johnson County business. After purchase, I will contact the Road and Bridge Department to schedule pickup and culvert installation.

I have read the Ordinance and Order of the Johnson County Commission Regulating Construction and Use of County-Maintained Public Road Right of Way dated December 9, 2024. I understand there is no fee required for this application. If work started before application approval, fees or restoration may be required. I understand the I am responsible for all damage to county roads and right of way, reimbursement of damage shall be made in full if adequate repairs are not made. I also understand the County may stop the project until damage is repaired.
