Holden R-III School District - Proposition K.I.T.S.
 Shall the Board of Education of the Holden R-III School District, Missouri be authorized to increase the operating tax levy by \$0.2204 to \$3.7500 per one hundred dollars of assessed valuation for the purposes of attracting and retaining quality certified and support staff and meeting additional operating expenses? If this proposition is approved, the adjusted operating tax levy of the District is estimated to increase by \$0.2204 from \$3.5296, currently, to \$3.7500 per one hundred dollars of assessed valuation for the 2024 Tax Year and can be applied to the assessed valuation for each year thereafter. Shall the Missouri Constitution be amended to allow places where individuals, corporations, organizations, and associations provide childcare outside of the child's home to be exempt from property tax?

This is intended to make childcare more available, which would support the well-being of children, families, the workforce, and society as a whole.

State governmental entities estimate the state's Blind Pension Fund could have annual lost revenue of up to \$400,000. Local governments expect an unknown fiscal impact.
