**FOR IMMEDIATE RELEASE**

**Polling Location Change for November 5, 2024, Election**

**Warrensburg, MO** – Due to an unexpected water leak at the Church of Jesus Christ Warrensburg Restoration Branch, located at 104 NW 361, the polling location for the upcoming election on Tuesday, November 5, 2024, will be moved. Voters who would typically cast their ballot at the church will instead vote at the Johnson County Fairgrounds, located at 386 NW 145th Rd, Warrensburg, MO.

The new polling location at the Johnson County Fairgrounds will be open from 6:00 AM to 7:00 PM on Election Day. We encourage voters affected by this change to update their plans accordingly and reach out to the Johnson County Clerk's office if they have any questions.

We apologize for any inconvenience and appreciate the community's understanding and cooperation in accommodating this change. Our team is committed to ensuring that every eligible voter has convenient, accessible, and safe voting experience. We greatly appreciate the Johnson County Fair Board's willingness to accommodate voters in the Centerview and Columbus Townships on short notice.
