February 19, 2015

Bids for the creation of a comprehensive Geographic Information System (commonly known as GIS), to include central database conversion, interface with existing tax assessment and valuation software, 911 roads and 911 address mapping, and additional project services associated with the development of a comprehensive GIS program were opened on February 17, 2015 as advertised and taken under advisement for consideration.

After reviewing the bids, Assessor Mark Reynolds made the recommendation to accept the bid from Midland GIS at a cost of \$217,300. While this bid was not the lowest, the company with the lowest bid of \$214,000 did not include the cost for travel expenses.

Based upon Mr. Reynolds' recommendation, Commissioner Sader moved and Commissioner Hough seconded to award the bid to Midland GIS at a cost of \$217,000. The motion passed unanimously.

JOHNSON COUNTY COMMISSION

William H. Gabel, Presiding Commissioner

Scott Sader, Eastern Commissioner

Destry Hough, Western Commissioner
