February 16, 2016

Bids for a Crawler Loader for use by the Road and Bridge Department were opened on this date as advertised. The following bids were received:

Murphy Tractor	2016 JD 755K Crawler/Loader	\$285,320.00
Foley Equipment	2015 CAT 963K Track loader	\$283,600.00
	2015 CAT 963D Track loader	\$268,900.00

Having considered the bids and based on the recommendation of Gary Bell, Road Supervisor, Commissioner Hough moved and Commissioner Sader seconded to award the bid to Foley Equipment for the 2015 963K Track loader. The Commission selected this model as it has the foot control rather than the joystick control on the 963D model, which is preferred by the Road and Bridge equipment operators. The motion passed unanimously.
