CONTRACT SIGNING: Johnson County Managed Information Technology, Systems and Security Services

Johnson County, Missouri, requested proposals from qualified providers to perform On-Call Managed Information Technology, Systems, and Security Services (I.T./I.S./I.S.) for the following offices only within the Johnson County Courthouse: County Clerk, County Commission, Human Resources, Voter Registration.

The Commissioners opened proposals for Johnson County Managed Information Technology, Systems and Security Services at 1:30 p.m. on February 8, 2022.

The Commissioners met with Jon Lober, Ethan Ottens, and Tina Karch from NOC Technology to consider the Managed Information Technology, Systems and Security Services Agreement for County Clerk, County Commission, Human Resources, and Voter Registration with NOC Technology also present Troy Plummer and John Bulluck, County Clerk Deputies.

The March 31, 2022 recommendation to negotiate with highest scoring information technology firm and identification of negotiator was reviewed. Initial contract will be through the remainder of 2022.

Commissioner Kavanaugh motioned and Commissioner Marr seconded to approve and authorize Presiding Commissioner to sign the Managed Information Technology, Systems and Security Services Agreement for County Clerk, County Commission, Human Resources, and Voter Registration with NOC Technology beginning April 26, 2022 until December 31, 2022 and automatically renewing for a one year term. Motion approved unanimously.
